

Welcome to Estonia!

Try to match the statements on the left and right side!

Hint: Pay special attention to words or word groups with opposite meanings, like for example 'No one' vs. 'Over a million tourists'. ;-)

1	No one knows where this country is		but it's still just a 4 hour drive from one end of the country to the other.
2	They say that Estonians are hard to approach		but the charm of Tallinn's medieval Old Town is not.
3	The Estonian language may be hard to understand		but over a million tourists visit every year.
4	More than half of Estonia consists of forests and bogs		but there are even more of Internet access points.
5	There are plenty of wild animals in Estonia		but you can come to visit us by plane, car, train or ship.

6	We have no subways		but more and more people are hearing about our leisure opportunities.
7	Estonians are calm		but our agreements are not.
8	The weather in Estonia may be unreliable		but we do have the finest resorts in Scandinavia (hint: refers to the shape of water slides).
9	Estonians are among the most educated people in Europe		but we still value our traditions.
10	Few have heard of Estonian national cuisine		but our night life is sizzling.
11	There still are some crooked things in Estonia		and therefore, simply more free time.
12	We have no big mountains here		but the welcome is warm.
13	We have numerous futuristic e-services		but we do have our development goals set high.
14	Winters are cold here		but not in the business sector.
